

## 40W LED Flood Light

40W LED投光燈

|                       |  |
|-----------------------|--|
| Material              | Aluminum Alloy , Stainless Steel                         |
| Input Voltage         | AC 90~305V   |
| Output Voltage        | DC 54V   |
| Operating temperature | - 40 °C ~ + 70 °C  |
| BeamAngle             | 15°  |
| CCT                   | 5000K  |
| Lifetime of LED       | 30,000hrs  |
| Power consumption     | 40W  |
| Power Factor          | >0.9   |
| Luminous efficacy     | 80 lm/W  |
| 散熱結構                  | 複合式散熱系統(環保冷煤)  |
| Model number          | 51P-L013-0007(Power Supply)<br>51P-L013-0008(LED Module) |

40W LED Flood Light Module

40W Single Output Switching Power Supply
